

## **STRATEGIC/ PERSPECTIVE PLAN**

The institute has well framed Strategic Plan in compliance with vision and mission. The Strategic Plan is inclusive and cover all development aspects relating to teaching/ learning: research/ development; human resource planning and development; infrastructure and community engagement, etc. With regards to Strengths, Weaknesses, Opportunities, and Challenges. following key performance indicators have been identified:

- Design of Curriculum with respect to employability and entrepreneurship need.
- Faculty training in use of ICT in teaching and learning.
- Conducted student and faculty exchange programmes.
- Research and Development with focus on Industry-academia collaboration
- Building of new infrastructure and maintenance of exiting.
- To offer academic programs that cater to the vision of the institute and the local community's needs.
- Publication of interdisciplinary multilingual research journal “Quintessence” and campus bulletin “Communique”.
- Certificate courses for the students.
