Quotation Call Notice for Online Fee Collection Software in women's Hostel of Kendrapara Autonomous College, Kendrapara

We invite quotations from experienced software development agencies/individuals for designing, developing, and deploying an online fee collection software. The software should facilitate secure online payments, automate fee tracking, and provide user-friendly interfaces for students, parents, and administrators.

Key Features:
1. Online payment gateway integration
2. Student/parent login and dashboard
3. Fee structure and payment tracking
4. Automated reminders and notifications
5. Admin panel for fee management and reporting

Submission Guidelines:
1. Submit your quotation, including:
   - Detailed breakdown of costs
   - Project timeline
   - Relevant experience/portfolio
2. Deadline for submission: [05.07.2025]
3. Contact information: [kendraparacollege@yahoo.co.in]

Evaluation Criteria:
1. Experience in software development and payment gateway integration
2. Quality of previous work
3. Pricing and timeline

We're looking forward to receiving your quotations!

You can customize this sample according to your specific requirements. Let me know if you need further assistance!
